

DP-103

№ Параметр / Parameter    Значение / Value

1 Model name :	DP-103
2 Rated voltage:	220 to 240V AC
3 Power frequency:	50 to 60Hz
4 Ambient light:	<10 lux (required by customer)
5 Rated load:	100W
6 Detection distance:	8m (<22° C)
7 Time delay:	70s
8 Working temperature:	-20 to 40° C
9 Power consumption:	0.45W (static 0.1W)
10 Installation height:	2 to 4.5m
11 Detection motion speed:	0.6 to 1.5m/s
12 Working humidity:	<93% RH

13 Connection details:

N - blue (zero)

L - brown (fire)

Output - red (sensor output line)

The blue and brown input power supply

Blue and red connect load (lamps).
